93. Culture and translation
94. Culture shock
95. Provide some examples of concept “Eye”
96. Gender equality in culture
97. Phraseological units (describing person’s character)
98. Conceptual field of investigated languages
99. The main trends of Linguoculturology
100. Provide some examples of noun phraseologism
101. Theoretical foundation of Linguoculture
102. Linguistic verbalization
103. The main trends of Linguoculturology
104. Relativity of Linguoculturology with other sciences
105. Provide some examples of concept “Heart”
106. Linguoculturological aspect of English/Uzbek/Karakalpak/Russian phraseologies
107. What are main tasks of linguoculturology?
108. What is the aim of comparative linguoculturology? (reveal with examples)
109. Phraseological synonyms in two languages
110. Provide some examples of somatic phraseologism
111. Conceptual field of Linguoculture
112. What main issues does conceptological trend deal with? Give examples
113. Linguistic lexicography
114. Phraseological units in Anthropology
115. Provide some examples of animal idioms
116. What “language and culture” dictionaries do you know?
117. Phraseological units (describing person’s character)
118. Peculiarities of conceptual systems
119. Structural and semantic analysis of phraseological units
120. Provide some examples of verb phraseologism
121. Verbalization in Linguoculturology
122. Language, gender, context and culture
123. The notion of Conceptual analysis
124. Cultural lacunae
125. Provide some examples of ethnographic lacuna
126. What is the object, subject of linguoculturology?
127. What is the aim of comparative linguoculturology? (reveal with examples)
128. What is the difference between special and encyclopedic dictionaries?
129. Cultural lexicography

130. Provide some examples of color phraseologism
131. The comparative adjectival phraseological units
132. Cultural lacunae
133. Ethnosyntax in culture
134. Culture shock
135. Provide some examples of concept “Feet”
136. Theoretical foundation of Linguoculture
137. Linguoculturological aspect of English/Uzbek/Karakalpak/Russian phraseologies
138. Politeness and impoliteness in culture
139. Linguistic relativity: language and culture
140. Provide some examples of concept “Ear”
141. Types of nonverbal means of communication
142. Verbalization in Linguoculturology
143. Gender equality in culture
144. Paremiology in Linguoculturology
145. Provide some examples of animal idioms
146. Linguistics relativity: precursors and transformations
147. The main trends of Linguoculturology
148. Overview and historical background of LC
149. Ethnolinguistics
150. Provide some examples of concept “hand”
151. Linguistic variation
152. What is the goal of Linguoculturology?
153. The development of Linguoculturology as a science
154. Psycholinguistics
155. Provide some examples of adjective phraseologisms
156. Basis of Linguoculturology
157. What makes Linguoculturology different from Linguacountrystudy?
158. Phraseological units with the component “Colour”
159. Relativeness of Linguoculture with other sciences
160. Provide some examples of toponym lacunae
